

Extremely Delicate The delicate aesthetic elements make the vehicle shine in the limelight.

Grille Design of Hongqi Family

The classical waterfall intake grille of Hongqi family and the emblem that is imbued with supreme heroism echo each other.

Qizhi LED Lighting System

The LED headlamp is equipped with ALS adaptive height adjustment system and IHC automatic high/low beam switchover system, to ensure the safety of passengers and vehicle.

Dynamic Side Posture With A Perfect Proportion

The fashionable, honorable, dynamics, avant-garde, concise but fully stretched waist line design shows wonderful confidence.

Extremely Honorable The courtesy granted by Italian guest makes the vehicle shine in the limelight.

Extremely Intelligent Advanced interconnection technology makes the vehicle shine in the limelight.

HC2.0 intelligent cockpit

Hongqi HC2.0 intelligent cockpit, equipped with advanced intelligent voice interaction system, forges a free trip with all things interconnected for you.

Auto Parking

The auto parking system enables you to easily cope with vertical, horizontal and slant parking.

360° Panoramic image

The onboard screen panoramically displays real-time image to make the parking safer and more efficient.

Extremely Safe Top safety picks make the vehicle shine in the limelight.

High-strength vehicle body

More than 60% of steel used on the vehicle is high-strength steel, and the 1,500Mpa high-strength hot-formed steel is used to constitute the cage-type safety structure.

AEB Active Brake System

Capable to judge collisions within the speed of 75km/h to achieve the automatic brake.

Network information security system HS2.0

The vehicle adopts the advanced information security assessment technology to protect personal data of user and avoid unauthorized use of the vehicle.

Extremely Comfortable

Enjoyable driving makes the vehicle in the limelight.

Extremely comfortable driving experience

Seats made of Nappa genuine leather and Alcantara material, aviation-class headrest for sleep, and seat heating and ventilation function bring extremely comfortable driving time.

Air purification system

The unique active indoor air cleaning technology can monitor and clean the air at real time.

Hongqi exclusive audio system

The BOSE reflector point® surround audio system reflects every detail of sound and forges the theatre-like on-site feeling.

Dynamics and Control

Excellent driving experience makes the vehicle shine in the limelight.

Brand-new CA4GC Third-generation Independently-developed Engine

Independently developed on the basis of third-generation supercharged direct-injection gasoline engine platform perfectly balances the dynamics, fuel consumption and emission.

New-generation 4WD System

The BorgWarner new-generation electromagnetic 4WD system enables a more compact structure, more intelligent control and more precise control on wheel torque to greatly improve off-road performance.

Five Driving Modes

Five driving modes (economy, comfort, sports, off-road and snowfield) coordinating with the intelligent adjustable shock absorber provide a pleasant driving.
